

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Please remember history. The first things that a Police State goes after are: The right for the people to own guns. 2)CONTROL THE NATIONAL PRESS. 3)lable anyone who protests as "unpatriotic.'

Can you honestly tell us that you agree with this? Dig down and find the guts to resist this slide into facsism. The people will support you.
